# About LTC

The Lonely Tree Café is a social enterprise set up by the NGO S.A.U.C.E with the goal of obtaining profits to help finance the humanitarian activities of the Apostolic Prefecture of Battambang, led by its Apostolic Prefect Monsignor Enrique "Kike" Figaredo s.j.

Our aim is to create a welcoming environment for our customers by offering a great service and food quality, as well as the opportunity to acquire unique Cambodian handicrafts elaborated with the best fabrics.

The projects supported cover a wide range of humanitarian aid including education, support for the disabled, healthcare and preservation of Cambodian cultural heritage. At the LTC we give employment to underprivileged and disabled people: the staff consist of vulnerable youth and most of the products sold in the Lonely Tree Store are crafted by people with physical disabilities who are in permanent need.
